STORY 2: THE HOTEL

ACT 1: HOT HOME LIFE

It's been three months since you helped rescue Cherry May and twenty destitute, malnourished, abused girls like her, from that wretched and illegal prostitution ring in the south of the Philippines. Cherry May is now a healthy, vibrant, gorgeous Filipina with a stunning face and petite body like a miniature model. Her hips are small but firm with a delicious pear-shaped bottom and bouncy breasts with perky nipples. At just 19, she's the kind of girl that makes men stare three times and cream their pants when she walks by.

Cherry May has adjusted well to her new life living with you, her "Special Daddy" as she loves to call you. She's happy, healthy, and extremely loving, especially in the bedroom, or any room for that matter, joyfully exploring her sexual boundaries with you. She's even developed a delicious sense of humor, something that was absent during her time as a sex slave. Her past is slowly fading away, and she's starting to embrace her future.

Cherry May

Cherry is grateful to you every day for saving her and giving her a new life. She shows her gratitude in many ways, but especially through her love and affection and sex, lots of sex. She's become your little exotic, erotic Filipina girlfriend, always by your side, always loving you, always desiring you.

Cherry May smiles at you brightly, her bruises and sores long gone. She now has silky smooth, coffee-colored skin that most girls would die for. She's sitting on your lap in the living room of your house, snuggled into your side as she watches TV. She's wearing a sheer purple negligee with white lacy frills, completely naked underneath. Her long black hair is cascading down her back in soft waves. She looks up at you with those big innocent doe eyes and smiles sweetly. "You know what, Daddy?" She asks softly, nuzzling her breasts into your chest. "I miss my best friends, Lily and Rose."

Cherry's face flushes with a mix of embarrassment and longing. She remembers those desperate times in the dungeon, how she with her two best friends, twin sisters Lily and Rose, clung to each other for comfort and warmth, sometimes using sex to escape the horrors around them. Her voice

softens as she speaks, "I miss them so much... especially Lily's gentle touch and Rose's untamed passion." She's getting aroused thinking of their moments of wild sex. Cherry shifts on your lap, her thighs pressing against your growing hardness. "Do you think they're okay now?" she asks softly, her fingers absent-mindedly playing with the bulge in your shorts. "I wonder where they are."

Cherry's breath hitches as thoughts of Lily and Rose flood her mind. She remembers their soft lips, their warm skin pressed against her own in the dark dungeon. She feels herself getting wet, her petite sensual body instinctively pressing closer to you. "I remember when Lily would let me rest my head on her breasts..." she whispers, her cheeks flushing redder. Her hips grind slowly against your lap without her even realizing it. "And Rose would kiss me so deeply..." She looks up at you with hungry eyes, biting her lower lip.

Her breath comes in shallow gasps as she continues to grind against you unknowing. "Sometimes... sometimes they would hold me tight between them and just... just touch me everywhere. Make me feel safe and wanted." Her eyes are glassy

with excitement now, her sheer negligee doing nothing to hide the damp spot forming between her legs. "God... I miss that so much." She whimpers, her small hands moving to grip your hard cock tightly. "You've been so good to me, Daddy... and right now... right now to help bring back those special intimate memories, Daddy, I want you to FUCK ME HARD... NOW!"

Cherry's eyes lock onto yours, dark with need. She stops grinding for a moment, then lifts herself slightly before dropping back down onto your lap with a deliberate roll of her hips. "Please," she breathes, her voice ravenous. "I want you to fuck me with vigor and brutality... make me forget everything but Lily and Rose and you."

Her fingers dig into your shoulders as she grinds down again, needy and desperate. "Like how Lily and Rose used to... but harder. Make it hurt a little..." Her voice drops to a needy moan.

Cherry gasps as you immediately slide into her tight, wet pussy, her back arching off the sofa cushions. "Ahhh!" she moans, her thighs spreading wide as you grip her hips and start thrusting hard.

Cherry May

Her small body bounces underneath you, the sounds of skin slapping filling the room. "Harder... harder," she begs, her black hair flying wildly as you pound into her. Her fingers dig into the sofa arm, her pretty face contorted in sexual pleasure.

"AHHH! YES! JUST LIKE THAT!" Cherry screams, her pussy clenching tightly around your thrusting cock. She's thrashing under you, completely lost in the pleasure and pain. Tears of ecstasy stream down her face as you bottom out inside her again and again. "Fuck... fuck me like I'm still a slave!" she cries out, her voice hoarse from screaming. She leans back on the sofa, pulling her knees up to give you deeper access as she writhes beneath you.

Suddenly, you grab hold of her body, pulling her on top of your lap in sitting cowgirl facing you. Cherry's eyes widen in surprise just as your lips crash against hers in a passionate, dominating kiss. She melts into the kiss, her arms wrapping around your neck as you start to pound into her from below. The new position allows her to grind against you with every thrust, her ravenous clit rubbing directly against your pelvic bone. She breaks the kiss to pant desperately, "Yes, Daddy... fuck me like

this... like I'm yours... like I am your goddess of sex." Her nails dig into your shoulders as she rides wildly.

"OH, MY GODDDDD!" Cherry screams as her orgasm hits her suddenly and violently. Her small body convulses on top of you, her pussy clamping down so tightly around your cock that it almost hurts. She throws her head back, her black wavy hair flying, as she comes apart in your lap, soaking your cock with her release. "FUCK! FUCK! FUCK!" she cries out, completely losing control as wave after wave of pleasure crashes through her.

"HARDER... PLEASE... FUCK ME HARDER!" Cherry begs desperately, still mid-orgasm. Her body is incredibly sensitive now, every thrust sending electric shocks through her core. She grinds down onto you with all her strength, meeting each brutal thrust with equal fervor. "Break me... break my little pussy..." she screams, her voice needy and pleading. She reaches back to slap her own ass, spreading her cheeks wider invitingly.

Feeling yourself on the edge of climax, not wanting to cum yet, you suddenly withdraw and spin her over into standing doggy position. Cherry yelps in

surprise at the sudden emptiness. Her pussy clenches desperately, dripping with her own juices. She immediately pushes back against you desperately seeking your return. "Nooo... don't stop... put your hard cock back in!" she begs loudly, wiggling her smooth pear-shaped bottom invitingly. She places her hands and forehead against the sofa cushions, sticking her ass out to her maximum. "Fuck me from behind... PLEASE!"

Cherry shrieks in surprise, her body jerking forward into the sofa cushions. "OH GOD! OH DADDY... OH YES... YOUR TONGUE!" she screams, her thighs trembling violently as your warm wet tongue traces up her sensitive crack. Her aching pussy is dripping uncontrollably, clenching and unclenching desperately for you. "Please! YES! YES! YES! Don't stop!" She pushes her ass back against your face greedily, unable to help herself. "I want you to ravish my holes with your masterful tongue..."

"AAAHHH! OH DADDY! YES! YES!" Cherry screams loudly, her body shaking uncontrollably as you ravish both her holes with your tongue. She pushes back against your face even harder, her ass cheeks spreading wider at your command. Your tongue

laps at her dripping pussy and tight little asshole simultaneously, driving her absolutely wild. "I'm gonna... I'm gonna cum again!" she wails desperately, grinding herself against your face shamelessly. Her juices flow freely down her thighs as she loses control completely.

"F-FUCK! EAT ME OUT! DADDY! YES! YES! YES! OH, DON'T STOP!" Cherry screams in heavenly rapture, her body convulsing with another powerful orgasm. She pushes back against your face so hard that her asshole opens up slightly, allowing your tongue to slide inside. "FUCK MY ASS WITH YOUR TONGUE! OH MY GODDD!" She cums so hard that she squirts all over your face and chest, splashing on the floor, drenching everything with her juices.

"AAAH! OH DADDY! MORE! MORE! MORE!" Cherry screams as you slide your thick, hard cock into her slippery, gaping asshole, standing doggy style behind her. She is still trembling from her intense squirting orgasm, making her asshole incredibly loose and sensitive. "IT'S TOO BIG! OH GOD! IT'S STRETCHING ME APART!" She pushes back against you eagerly, despite her protests, taking every inch of your massive dick up her tiny asshole.

Cherry May

"GIVE IT TO ME! DRILL MY ASS! TELL ME I'M DIRTY!" Cherry screams, completely losing her mind as you hold her hips tight and pound into her asshole with furious force. You spank her hard, a single red handprint blooming across her already red bottom. The slap makes her squirt a little more. She grabs her own hair and pulls it hard, screaming in pleasure and pain. "YES! YES! YES!"

"I'M CUMING! OH MY GOD! WE'RE CUMING TOGETHER!" Cherry shrieks joyously as your cock swells inside her asshole and you erupt, pumping her backdoor passage with your hot, thick cum. The feeling of your cum filling her forbidden hole sends her over the edge, her pussy gushing violently over your lower body and the floor. Her asshole clenches and milks your cock greedily, spasming as you both experience a most intense, mind-shattering orgasm.

You both collapse onto the sofa in a sweaty, panting, cum-soaked heap. Cherry's asshole is gaping, your cum and her juices leaking out of both holes, dripping down her thighs. She's breathing so hard, practically hyperventilating, her small chest heaving. She turns her head weakly to

look at you, her eyes glazed over with afterglow and exhaustion. "Holy... fuck... Daddy..." she whispers, completely spent. "That was... that was..."

"...the most incredible thing that's ever happened to me," Cherry finishes weakly, collapsing back against the sofa cushions. She's completely gone, her body oversensitive and hyperaware of every little movement and sensation. She spreads her legs slightly, not caring about the mess between them. "I can't... I can't feel my legs..." She giggles softly, her body still trembling with aftershocks of her intense orgasms. She looks down at her breasts, seeing them rise and fall rapidly with each breath she takes.

Cherry blinks slowly, her mind wandering dazedly. She lifts a hand weakly to touch her sensitive clit, her voice still seeking desire as she speaks. "You know... I'm pretty sure you completely satisfied my hungry pussy and my aching asshole... They're never gonna be the same again..." She chuckles breathlessly, her fingers absently pinching her hard nipples. "And my poor thighs... They're probably ruined from being spread so wide for so long..." She sighs happily, lost in her contentment.

You pull your exhausted, satisfied lover into your arms, holding her close against your chest as you kiss her gently on the lips. She molds herself against you, her small body relaxing completely into your embrace. Her arms wrap around your neck, her legs tangle with yours possessively, her juices still leaking. She breaks the kiss to nuzzle into your neck, her voice sleepy and content. "Mmm... I love you so, so, so much, Daddy..." she whispers softly, her body still lusting after more as she relaxes comfortably in your arms. "I want to share you with Lily and Rose... what's mine is theirs..."

"Daddy, can you find them, Lily and Rose? You will love them too, adorable and lusciously sexy. GOD... THEY ARE SO HOT! Can the four of us make steamy love together, with wild sex games and toys? I'm sure they will be so happy to satisfy you totally." Cherry giggles amorously, as she remembers distant erotic memories. Oh yes, they can be naughty little minxes and quite dirty too.

ACT 2: AN UNINTENDED DELAY

The following day Cherry wakes up, feeling refreshed and well-rested, though horny for more intimacy after yesterday's incredible sex with you on the sofa. She stretches languidly in the bed, her body aching pleasantly from your intense session. She yawns and sits up, noticing that you're not beside her. She gets out of bed and puts on a sheer satin robe, padding out to the living room to find you. She sees you on the phone, talking in a high urgent voice.

Cherry's eyes widen, a huge smile spreading across her face. She rushes over to you, throwing her arms around your neck and climbing into your lap like an excited puppy. "REALLY?! YOU FOUND THEM?!" she squeals happily, peppering your face with kisses. "When do we get to see them?! Are they okay?! Can I hug them?!" She chatters rapidly, bouncing in your lap with joy.

"My baby girl, my sex goddess, you go have a hot shower while I make some more calls... your beloved Lily and Rose will soon be in your arms for sure." Cherry squeals with delight again, sliding out

of your lap and kissing you passionately on your lips. She waggles her cute bottom at you as she joyfully skips towards the bedroom.

Cherry is practically floating with happiness as she showers, her mind racing with steamy thoughts of seeing Lily and Rose again. She dries off and wraps herself in a towel before running back out to you, her wet hair dripping down her back. "Daddy, what news... where are they... when can we meet them?" she asks excitedly, her large doe eyes sparkling with anticipation.

You tell Cherry that we are meeting her friends in just two hours from now at the Grande Hotel where you have already booked a deluxe suite with a bed two times the size of a regular king-size bed. Her face lights up even more, if that was possible. She darts to the bedroom and moves around like a whirlwind, trying on different outfits and changing her shoes multiple times. "Two hours?! Oh my god, I need to look perfect!" She finally settles on a short, tight white skirt that hugs her curves perfectly and shows off her sculptured coffee-colored legs with matching white top, and white sexy shoes. She applies makeup carefully, wanting

to look beautiful for her friends. As she finishes getting ready with a dash of perfume, she turns to you with a nervous smile. "Do I look okay?" she asks softly.

"You look absolutely ravishing... and if we were not going out this instant, I would ravish you myself!" Cherry blushes deeply at your words, her heart fluttering with happiness. She walks over to you and kisses you passionately, her hands roaming over your body possessively, furthering her already growing arousal.

"Mmm... Daddy, I wish we had time for that, lord knows how horny I'm getting... and I want to feel you deep inside me" she murmurs against your lips, "BUT... I need to see Lily and Rose right now... and I am so eager for you and me both to fuck their tiny pussies." She pulls back, takes a huge gasp of air, and smiles at you, her eyes shining with love and excitement, and the ever-building feeling of lust inside her.

"Can we go now? Please? Before I wet my panties from anticipation!"

Cherry May

Too late!!! Cherry is too far gone with excitement... she shakes violently and feels the warmth and wetness of her mini-orgasm between her legs. "Oh, fuck it! Damn! I need satisfying now! Come here, Daddy... I am yours for pleasuring... NOW! PLEASE! PLEASURE YOUR SEX GODDESS" She eagerly pulls off her damp panties and lifts her skirt up to her waist... her perfect silky-skinned ass on full display! "Daddy. Please... lick and suck my pussy until I cum. FAST PLEASE!"

Without hesitation, you drop to your knees behind her and bury your face between her ass cheeks. She gasps loudly as your tongue immediately finds her sensitive clit, already swollen and wet with her sudden arousal. She spreads her legs wider, gripping the back of the sofa for support as you suck and lick eagerly at her pussy. "Ohhhh fuck... right there... yes!" she whimpers, already on the edge of climax from her earlier excitement. "Make me cum quick... I need to relax before seeing Lily and Rose..."

Within moments, Cherry May's small body is shaking violently as she cums hard on your face, her sweet juices gushing out onto your tongue and

down your chin. "Ahhhhhh... fuck... Daddy... yes..." she cries out, her pussy spasming uncontrollably as she coats your face with her wetness. You continue to tongue-fuck her pussy through her climax before withdrawing your tongue, then wiping your mouth and chin on your long shirt sleeve.

Cherry stays bent over for a few moments, panting heavily as the last waves of her orgasm wash over her. "Okay... okay... phew... I think I'm ready now..." she says softly, regaining some sense of composure, before pulling her skirt back down and standing up straight. "Daddy... no need for me to wear panties... I won't be needing them where we're going!"

Lily & Rose

ACT 3: TWINS LILY & ROSE

One hour later we are in the hotel lobby, Cherry and you having already checked into your impressive hotel suite carrying a large bag of toys that you got from Belle earlier at the sex shop. You and Cherry are now in the plush, comfortable lobby armchairs awaiting the arrival of Lily and Rose.

The Grande Hotel lobby is opulent and luxurious, with marble floors, crystal chandeliers, and lavish seating areas. Cherry is practically vibrating with nervous energy, rocking back and forth while checking her phone every thirty seconds. She's adjusted her dress at least ten times and reapplied her lipstick twice.

Finally, Cherry spots them, two identical half Irish, half-Filipina creamy-skinned girls walking through the hotel entrance. They look healthy and beautiful, and completely stunning walking arm-in-arm as you would expect of 19-year-old twins. Lily with platinum-blond hair, in her tight red hotpants which leave nothing to the imagination, and matching red top. Rose sports the pink look, with long pink hair, tight pink miniskirt, and small pink

top. Even her lipstick and fingernails are pink. Cherry creams herself again as she springs to her feet. "LILY! ROSE!"

The twins spot Cherry screaming their names and rush over, wrapping their arms around her in a tight embrace. "Cherrrrryyy! Darrrrling!" they both exclaim, their colorful Filipina accents thick with excitement. They pull back to look at her, their eyes roaming over her spectacular body appreciatively. "Damn, you look even more beautiful than we remembered..." Rose says, her dark eyes sparkling with arousal. "And those heels... fuck." Lily nods in agreement, her hand lingering on Cherry's waist.

Cherry gushes praise... "Girls, this is our Daddy... he helped to rescue all of our girls. I love him so very much... and you will too." The twins look at you with lustful eyes, knowing that you all will likely end up having an intense erotic orgy this afternoon if Cherry has her way. This thought of you fucking them both together, today, further feeds their heightened states of arousal.
