## STORY 3: ONE NIGHT IN BANGKOK

### ACT 1: JUDY MAY

Cherry May, your gorgeous Filipina girlfriend, has been living with you for the past four months in a whirlwind of passionate sex and deep affection. Every morning starts the same way... waking up to your arms wrapped around her, followed by immediate, enthusiastic sex in various positions. This morning was no different; you started with Cherry riding you cowgirl style before transitioning to reverse cowgirl, her perfect round ass bouncing enthusiastically up and down as she took control.

Cherry May rode you with abandon in the reverse cowgirl position, her tight pussy milking your cock eagerly as she came twice in quick succession... each orgasm making her scream and grind down harder on you. Your hands gripped her hips tightly, fingers digging into her soft flesh as you felt your own release building rapidly. With a final deep thrust upward, you exploded inside her, filling her womb with a massive load of cum that triggered another intense orgasm for Cherry.

After your intense morning session, you both lie tangled together, completely satisfied. Cherry's pussy is leaking your cum, and she has that just-fucked glow that you love so much. She rests her head on your chest, tracing patterns on your skin with her finger. "I love starting our days like this..." She murmurs contentedly. "My pussy is so sore but so happy." She giggles and kisses your chest.

Later that morning, as you relax after breakfast, the sound of Cherry's phone ringing breaks the peaceful atmosphere. Cherry picks up the phone, her expression turning serious as she answers the call. "Hello?" Pause. "Yes, speaking..." Another pause, during which Cherry's face slowly drains of color. "What?... When?... Where?... Okay, I'll be there this afternoon." She hangs up, looking stunned, her pulse racing.

Cherry takes a deep breath, trying to compose herself before explaining the unexpected call. "Daddy, that was the orphanage agency. They found my younger sister, Judy May. She just turned eighteen yesterday, and they want to reunite us today." Cherry bites her lip nervously, "I'm nineteen and a half... She's always looked up to me..." She

pauses, "They want me to pick her up this afternoon." Her voice trembles slightly, "Daddy... What should I do? Please help me."

Cherry nods gratefully that you'll accompany her to pick up Judy. As she gets ready, she explains more about their painful separation. "I was nine when Mom and Dad split up. They sent Judy and me to different foster families, and we never saw each other again. I ended up in that horrible prostitution ring at sixteen..." She shakes her head sadly, "I don't know what happened to Judy all these years. She was only eight when we were separated." Cherry looks at you with worried eyes.

After a two-hour drive to Manila, you and Cherry enter the agency office, Cherry's heart races with a mix of nervousness and excitement. She scans the room and immediately spots Judy May sitting there, waiting. The resemblance is uncanny—Judy is like a younger, cuter version of Cherry herself. At just 4 feet 9 inches tall, she has the same petite, fuckable body that drives men wild—small waist, perky breasts, and SEXY bottom that seem too perfect for her tiny frame. "Cherry..." Judy cries as she sees her sister walk in...

Judy's eyes immediately light up when she sees Cherry walk in with you. She jumps up from her seat, her tiny body bouncing with excitement as she runs over to Cherry, wrapping her arms around her sister and burying her face in her neck. "Cherry! Cherry!" She screams happily in her joy of seeing her sister after ten long years. "You're so pretty!" She gushes, looking up at Cherry's face with bright, happy eyes. "I missed you so much!"

Cherry breaks down into tears of joy as she hugs Judy tightly, both sisters crying and laughing at the same time. They hold each other like they never want to let go, their reunion complete with hugs, kisses, and shared memories and stories from their years apart. As they catch up, you stand back and watch the heartwarming reunion, noticing how much Judy looks like a younger version of Cherry—same gorgeous face, same sexy body, same killer looks. "Cherry..." Judy tugs on her sister's sleeve,

Judy looks up at her sister with hope-filled eyes, gently biting her lip as she asks the big question. "Cherry... now that I'm eighteen, I can choose where I want to live. And I really, really don't want to go back to my foster parents. They're... they're

not nice to me." She whispers, looking down shyly. "Can I... can I live with you and your special Daddy?" She asks softly, looking back up at Cherry with pleading eyes. "Please... please... please?"

Cherry looks at you with the same desperate eyes, silently begging you to say yes. You smile and nod, giving Cherry the answer she wants. Cherry turns to Judy, her face lighting up with happiness. "Yes! Yes, you can live with us! Daddy said it's okay!" She pulls Judy into another tight hug, both sisters laughing and crying with joy. "You'll live with me and Daddy now! We'll be a family again!" Judy squeals happily, clinging tightly to Cherry.

You help both sisters sign the paperwork at the agency. The social worker looks relieved to finally be placing Judy with a loving family member after years of Judy being passed from one bad foster home to another. Within fifteen minutes, it's official... Cherry is now Judy's legal guardian. The three of you walk out of the agency arm in arm, Judy bouncing excitedly between the two of you. The car ride home is filled with non-stop chatter as Judy and Cherry share the front passenger seat, catching up on ten years of separation.

*Cherry & Judy*

As you drive home, you can't help but notice Judy stealing glances at you. Her eyes roam over your face and body, lingering on your crotch for a moment before darting back to Cherry. She bites her lip and whispers something to Cherry, who giggles and nods. When you pull into the driveway, both sisters turn to you with matching mischievous smiles. "Daddy..." Cherry purrs, "Judy has a special request for our special Daddy."

Judy looks up at you with innocent eyes, but there's a hint of something more—desire, maybe curiosity. "Daddy... Cherry told me all about how you take care of her... and how good you are to her..." She bites her lip again, her tiny hands fidgeting. "I was wondering... since I'm living with you now... if you could... maybe... take care of me too?" She asks softly, her cheeks turning a faint pink. "Please?"

Cherry nudges Judy gently, encouraging her to be more specific. Judy takes a deep breath and continues, "I mean... like Cherry said you do with her. Making sure I'm happy and taken care of... in every way." Her voice drops to a whisper, "Including... you know... sexually." She looks down shyly, "Can I be your special girlfriend too, Daddy?"

Her hand reaches out tentatively to touch your arm. "Cherry already told me it's okay with her. Daddy, please say yes..."

"Yes! Yes, that would be my honor." You reply. Judy bursts into a huge smile, her entire face lighting up with joy and excitement. "REALLY?! YES! YES!" She squeals happily, throwing her arms around you in a tight hug before grabbing Cherry's hand. "Come on, Cherry! Help me pick something pretty! I want to look sexy for losing my virginity" Cherry drags Judy toward the master bedroom, both sisters giggling like teenagers. You watch them disappear into the bedroom with a delighted smirk.

Both girls emerge from the bedroom looking absolutely stunning, and so very fuckable, Cherry in electric blue and Judy in hot pink. They're wearing matching miniskirts that barely cover their round bottoms and tiny tops that show off their small waists and perky breasts. Judy's skirt looks even shorter on her sexy frame, making her appear incredibly desirable. You pull both girls close to you, wrapping your arms around them both. You look down at Judy's beautiful face. She's staring up at you with pure adoration and lust in her eyes.

*Cherry & Judy*

You cup Judy's face in your hands gently, before bringing your lips down to hers in a passionate, dominating kiss. It's the first real kiss Judy has ever experienced, and you make sure it's one she'll never forget. You pour all your desire and affection into the kiss, parting her lips with your tongue and exploring her mouth thoroughly. Judy melts against you, her tiny body pressing close as she kisses you back desperately. Cherry watches with a soft smile, her hands squeezing and kneading both of your asses possessively.

The intense kiss breaks Judy, and she starts crying softly, her tiny body shaking against you. "Daddy... I'm a virgin... no one has ever touched me like this before... or kissed me... or even hugged me nicely." She sniffles, looking up at you with tear-stained cheeks. "Can you really be my first everything? RIGHT NOW?" She asks desperately, glancing over at Cherry who nods encouragingly. "Please take my virginity in front of my sister... and please make me your girlfriend officially..."

You carry Judy's tiny body effortlessly to the master bedroom, laying her down on the bed. Cherry follows closely behind, helping you strip Judy out

of her clothes. The moment Judy is naked, both you and Cherry are stunned by her sensational body... tiny flat stomach, perky breasts, and that impossibly wet pussy waiting for her first time. Cherry spreads Judy's thighs gently, admiring her sister down there. "Silly girl, you're soaked already."

Judy's pussy is practically gushing as she looks up at you with wide, innocent eyes, then over at Cherry who nods eagerly with a mischievous smile. Judy bites her lip, clearly excited and incredibly horny at the anticipation. "I want Cherry to take part of my virginity too." She commands shyly, her cheeks flushing pink. "Like... have you guys both make love to me at the same time." Cherry needs no further encouragement. She rips off her clothes and climbs onto the bed beside her little sister, cupping Judy's face tenderly and kissing her deeply.

Cherry starts making out with Judy passionately, their tongues dancing as they explore each other's mouths. Judy's small hands reach up to caress her sister's face, and her legs instinctively wrap around Cherry's waist. Meanwhile, you undress quickly and climb onto the bed. Cherry pulls back from the kiss, smiling down at her overwhelmed little sister.

*Cherry & Judy*

"Don't be scared, baby girl. Daddy's going to take your cherry, but I'm going to help you enjoy it." She leans down and starts licking Judy's nipples, making her cry out in pleasure. "See... just relax and let us both love you."

You move on top of Judy, running your hands over her tiny, virgin body possessively. You spread her legs wider and press your hard cock against her wet virgin pussy, teasing her entrance with the head. "Mmm... oh my god, Cherry... Daddy's touching me... FUCK IT'S HOT!"

You push slowly, the head of your cock breaching Judy's tight virgin entrance. She tenses up, her tiny body trembling between you and Cherry. Judy gasps sharply as she feels your cock head push past her tight virgin walls for the first time. Her hands fly to Cherry's hair, clutching onto her sister for dear life. "OH GOD! IT'S SO BIG! CHERRY!" She cries out, her tiny legs trying to spread wider as you slowly sink deeper into her. Cherry continues licking and sucking on her nipples while whispering encouragement. "It's okay baby, that's just the first stretch. Let Daddy in... you're doing so good... you're not a virgin anymore."

*Judy*

The moment your cock breaches Judy's tight virgin walls, you're overcome with arousal. Judy's pussy is so impossibly tight and new. It squeezes you like nothing you've ever felt before. Within seconds, you lose all control and your massive orgasm explodes deep inside her virgin pussy. "OOOH NOOO!" You gasp, pounding your hips forward again and again as you pump load after load into Judy's untouched insides.

Judy's innocent mouth transforms into something incredibly colorful as she experiences her first proper orgasm, with your huge load filling her tiny pussy. She screams out several profanities, her hips bucking wildly against you as she cums for the very first time. "FUCKING DAMN DADDY! OH MY FUCKING GOD! I'M CUMMING! I'M CUMMING ON YOUR COCK! FUCK! FUCK! FUCK!"

Cherry laughs happily at her little sister's unexpected dirty mouth, finding it absolutely adorable. While Judy shakes violently through her first-ever climax, Cherry starts gently fingering Judy's swollen clit with one hand, massaging it in slow circles to prolong her pleasure. "Good girl Judy, use that naughty mouth... tell Daddy how

good it felt getting fucked for the first time." With her other hand, Cherry is frantically rubbing her own clit furiously, jealous she's not getting filled too. "Daddy... fuck me more... fuck me harder."

After your initial explosive orgasm, you stay buried deep inside Judy's tiny, cum-filled pussy, enjoying the aftershocks of her seismic orgasm. Judy is completely lost in a world of new sensations, her small body quivering between you and Cherry. She's practically sobbing with pleasure, her innocent face twisted into a mask of pure ecstasy. "Fuck me D-Daa-d-ddy..." She stutters out between cries. "I-I'mmm c-cummmmming aaaggaiiin..."

Judy's tiny body convulses as she cums again, her virgin pussy clamping down hard around your semi-soft cock. The sensation triggers another wave of pleasure through her, making her scream and shake violently. Cherry quickly moves between Judy's legs, pushing you and your now flaccid cock aside to bury her face in Judy's soaking wet pussy. "Mmmph! Baby sister tastes so good..." She laps eagerly at Judy's cum-filled slit, cleaning up the mixture of your load and her sister's virgin juices.

*Judy*

Judy collapses onto the bed, completely exhausted and satisfied after her intense first-time experience. She watches with horny eyes, her pussy still dripping with arousal, as Cherry moves over to you, taking your soft cock into her mouth and sucking eagerly. With her skilled technique, you are soon erect and throbbing again. Your arousal is building fast, so you pull Cherry into doggy style position, putting her on all fours to take your ravenous cock. Cherry eagerly pushes her perfect ass back at you, spreading her legs wide. "Fuck my pussy hard, Daddy, and fast... make me scream like Judy did..." she begs, looking over her shoulder at you with hungry eyes.

You grab Cherry's hips and slam your thick, hard cock deep into her tight pussy doggy style. She screams loudly, just like Judy did, only with a more experienced sexual energy. Judy watches getting more and more horny, whilst Cherry takes your manhood without pause... her pussy swallowing it whole. "Ahh shit! Fuck yes! Daddy's cock feels so good..." Cherry moans loudly, giving Judy a perfect view of your hard dick disappearing into her older sister's pussy. "You like watching me get fucked, little sis, don't you..." Cherry taunts.

*Cherry*

Both sisters have indeed dropped all inhibitions, completely comfortable with sharing you and each other sexually. After climaxing hard, Cherry is still on her hands and knees in doggy style position, letting the waves of her orgasm wash over her. As you pull your cock out of Cherry's dripping pussy, Judy eagerly moves into position behind her sister. She dives face-first between Cherry's spread ass cheeks, burying her sexy face in Cherry's wet holes without hesitation. "Mmm! Sister's pussy tastes so good..." She moans against Cherry's folds, her tiny tongue flicking out to lick and suck eagerly.

You take Judy's head gently in your hands and guide her face higher, pressing her mouth against Cherry's asshole. Judy understands instantly and starts licking and probing Cherry's tight little hole with her eager tongue. "Ohhh fuck... Judy's licking my asshole..." Cherry moans, pushing back against her sister's face. Judy starts tongue-fucking Cherry's anus rapidly, making Cherry squeal in pleasure. "Fuck yeah... tongue-fuck my dirty hole, baby sis!"
